

DRAMA INSET DAYS

Inset days are great for schools ...
but often difficult for parents to arrange childcare for.

WE CAN HELP!

Light UP will come to your school for a one day workshop on your inset days, with families picking up and dropping off their little ones as usual, as they look forward to a day of drama fun!

Helping families with childcare

Bringing students together

Developing students' confidence and creativity

Raising money for your school

Providing extra opportunities for students

WHO WE ARE

Light UP is a not for profit organisation. We run performing art classes in Hampshire. We set up in 2014, to ensure more young people had access to the many benefits drama has to offer, at affordable prices. All our classes focus on building young people's confidence, self-esteem and social skills. We currently run over 50 classes each week across Hampshire. All our teachers are inspirational, experienced and are DBS checked with Paediatric First Aid Certificates.

HOW DOES IT WORK?

- 1 Send us an email to notify us of your inset days
- 2 We'll send you a letter - to distribute to parents
- 3 Parents book a place through our website
- 4 We confirm who is running the workshop and send their DBS details
- 5 We will confirm the numbers with you a few days before the workshop
- 6 We come in and run the workshop from start to finish
- 7 We give your school or PTA 15% of the funds to help the school

HOW MUCH DOES IT COST?

Each spot is £20 for the day, with any additional siblings, or current Light UP Members, at £10. We then give the school or PTA 15% of the total fees collected. We need 10 children to run a session. Families can pay through our website. There is no charge to the school.

WHAT DO YOU NEED FROM US?

We can't wait to get to know the students at your school!

All we need from you is an email to info@lightupdrama.org.uk to let us know you'd like to work with us. Then let us know your inset days and the space you have available - and we'll do the rest.

WHAT DO YOU DO IN THE WORKSHOPS?

LOTS!

We choose a theme or play ...

such as Disney Musicals, Greatest Showman, Julia Donaldson Characters or Matilda.

Then we pack the day full with games and activities.

We often get the group working well together with some games, get creative with some improvisation, work on a piece of script and a song - and then perform to each other before home time.

FAQ:

How many children are in each workshop?

We need a minimum of 10 to run a session. The maximum number depends on the space at your school. We can have multiple teachers in multiple places - and in this instance, we often split the age ranges.

What is the student to teacher ratio?

This depends on the ages of the students. For Infant school groups, we always have 2 teachers. Our usual ratio is 1:10 - and we can confirm how many members of staff there will be when we know how many students are attending.

How long is the workshop?

As long as your school day. We fit in with the usual timings to be as helpful to families as possible.

Do you run drama clubs in schools?

Yes, we do. We work both in community centres and in schools - and also work in some schools as part of their curriculum classes. We also run LAMDA clubs and classes, putting young people through acting and performance exams. If you'd like to speak to us about this - great! We'd love to hear from you. Just drop us an email.
